a) MS Option A students must have a faculty advisor throughout their program of study.
b) The Examining committee must consist of at least three qualified faculty members.
c) 30 credit-hours required. MS residency (ME 768) and research courses (including ME 790) do not count toward the required credit hours.
d) At least 6 credit-hours from courses with prefixes MA, STA, or from a pre-approved math course list, where at least 3 credit hours are from courses with prefixes MA or STA.
e) At least 12 credit-hours at the 600-level or greater (ME 790 and ME 768 is excluded).
f) A maximum of 6 credit-hours of ME 780 may be included and a maximum of 6 credit hours of ME 768 may be included.
g) At least 20 credit-hours from courses with the prefix ME.
h) A final examination administered by the students Advisory Committee must be passed to complete degree requirements.
i) Required to attend ME 799 Seminar course semester (2 semesters)

Please see the Mechanical Engineering Handbook for the detailed requirements

Student: _______________________________    ___________________  
Advisor: _______________________________    ___________________

Director of Graduate Studies: _______________________________    ___________________

All students must file a Plan of Study EACH SEMESTER, even if there are no changes. Only those courses listed on this form will count towards a student’s degree program. Students are required to obtain their advisor’s signature BEFORE the DGS will consider signing this form.
