a) PhD students must have a faculty advisor throughout their program of study.
b) The Examining committee must consist of at least three qualified faculty members.
c) 36 credit-hours required. Residency and research courses (including ME 790) do not count toward the required credit hours.
d) At least 6 credit-hours from courses with prefixes MA, STA, or from a pre-approved math course list, where at least 3 credit hours are from courses with prefixes MA or STA.
e) At least 18 credit-hours at the 600-level or greater (ME 790 excluded, only 3 credits of ME 780 included).
f) At least 18 credit-hours from courses with the prefix ME.
g) A final examination administered by the students Advisory Committee must be passed to complete degree requirements.
h) Required to attend ME 799 Seminar course semester (4 semesters)

Please see the Mechanical Engineering Handbook for the detailed requirements

Signature             Date
Student:   _______________________________    _______________
Advisor:    _______________________________    _______________
Director of Graduate Studies:   _______________________________    _______________
All students must file a Plan of Study EACH SEMESTER, even if there are no changes. Only those courses listed on this form will count towards a student’s degree program. Students are required to obtain their advisor’s signature BEFORE the DGS will consider signing this form.
