

COMMITMENT OF SPONSORSHIP FOR ECE SENIOR DESIGN DAY

Department of Electrical and Computer Engineering, University of Kentucky

“ECE Senior Design Day” is held each semester on the Friday of Dead Week. It began in the Fall of 2001 and has taken place each semester since then. Undergraduate students present their engineering design projects and compete for 1st, 2nd and 3rd prizes as well as honorable mentions. A key ingredient and inspiration for the students are the prizes. Individual and corporate sponsors give credibility and encouragement to our students. We believe that will be repaid back to the industrial community by higher levels of innovation and professionalism.

More information, various forms and a historical record can be found at <http://www.engr.uky.edu/~lgh/eceday/seniordesign.htm>

We appreciate your contributions and these contributions will go directly to the students in the form of cash prizes or product prizes.

CASH DONATION OF AMOUNT \$ _____ : THANK YOU!

Make check payable to: **Department of ECE, University of Kentucky**

Send donation to:

Senior Design Coordinator
Department of ECE
University of Kentucky
Lexington, KY 40506-0046
