Engineering Major: ____________________________

I hereby designate this as part of the three such courses that it is my option to repeat in which only the grade, credit hours, and quality points for the second completion will be used in computing my academic standing. The repeat option may be exercised only the second time a student takes a course for a letter grade, not a subsequent time. My signature below indicates that I clearly understand that I CANNOT at a later date change this designation in favor of other courses I have repeated or will repeat.
