

College of Engineering Staff Council Meeting Minutes

November 17, 2021

In attendance: Lacey Hill, Rob Hannigan, Cody Mitchell, Betsy Davies, Amy Long, Alicia Anderson, Callie Viens, Dale Davis, Melanie Smith

Meeting called to order at 10:05AM, was held via Zoom.

October meeting minutes were approved.

Lacey is leading the Staff Council meeting today.

Halloween Spooktacular:

Around 50 people attended. Top 4 costumes were awarded. For next year plan to order the same number of donuts and to also have Halloween music and decorations again.

Holiday Event:

Thursday, December 9th from 9-10:30AM (come whenever you'd like) in the Atrium. We will need to have holiday music and possibly have Christmas decorations. Staff and faculty are invited to attend. There will be bagels! Suggested attire is to wear your ugliest seasonal sweater (or just an ugly sweater)!

Circle of Love:

This is a campus wide initiative. Lacey will send out an email promoting Circle of Love and suggest for people to use the Amazon wish list so that the gifts can be sent directly to the Student Center. Will also include the Circle of Love in the Staff Council newsletter that goes out.

United Way Initiative:

As of 11/2, COE raised \$8,809; the goal was \$9,000 – we were so close! There were 3 donated items, all 3 of them sold. Hoping that the pet costume contest will bring more funds next year.

Meeting adjourned at 10:55AM.
